ORDER

On December 6, 2022, the Court set this matter for sentencing on January 12, 2023 (Doc. 10). Before the Court is the fourth stipulation to continue the sentencing hearing (Doc. 18). Throughout the stipulations, counsel have provided little detail for the continuances. (Docs. 12, 14, 16) Now, defense counsel states she needs to speak to the defendant after he undergoes a medical procedure. This level of detail is insufficient to allow the Court to evaluate the requests. There is no basis for the Court to consider a three-month extension. Consequently, though the Court will **GRANT** a continuance to July 10, 2023 at 10:00 a.m., it does not anticipate granting any further continuances.

IT IS SO ORDERED.

Dated: May 12, 2023
